Preamble

Un grand nombre de personnes et de groupes ont contribué à la préparation de la présente édition du Répertoire des groupes communautaires de l'Ontario. Nous tenons encore une fois à remercier tous ceux qui nous ont aidés en nous signalant des changements d'adresse, de responsables ou d'orientation survenus en 1975. Cette année, grâce aux personnes qui ont bien voulu répondre à notre questionnaire, la tâche de mettre à jour la quatrième édition de notre Répertoire a été bien plus aisée.

Bien que nous ayons fait tout notre possible pour éviter que des erreurs ne se glissent dans nos listes - en nous renseignant après des intéressés, personnellement ou par écrit, ou de nos bureaux régionaux - il se peut que l'on y relève des inexactitudes ou des omissions. Pour les faire corriger, prière de s'adresser à la:

Direction du multiculturalisme

des Loisirs
Queen's Park, Toronto, Ontario

Nous avons indiqué par un astérisque (*) les noms et adresses qui n'avaient pas été confirmés quand le Répertoire a été mis sous presse.)

Les personnes qui ont établi ce Répertoire remerkient chaleureusement tous ceux qui ont contribué à sa publication.

Introduction

Many individuals and groups have contributed to the preparation of this edition of the Directory of Community Groups in Ontario. Again, we would like to acknowledge with thanks the assistance of all those who kept us informed of changes in address, contact person or group focus throughout 1975. This year's task of revising our fourth edition of the Directory was made considerably easier by those individuals who responded to our "update sheet".

While every effort has been made to ensure the accuracy of listings -- through correspondence, personal contact, inquiries to field offices -- it is possible that errors and omissions have nevertheless occurred. These may be rectified by writing to :

Multicultural Development Branch
Ministry of Culture and Recreation
Queen's Park, Toronto, Ontario

Listings for which it was not possible to receive confirmation by press time are indicated by an asterisk (*).

The compilers wish to express their thanks again to all who contributed to the appearance of this Directory.
